## License Types

### USAGE LICENSES

Use of an item is bound by the license you purchase. A license grants you a non-exclusive and non-transferrable right to use and incorporate the item in your personal or commercial projects. Currently, on Creative Tim you can purchase the products with two types of licenses: Personal or Developer. All freebies are licensed to Developer. If you make a paid purchase, be sure to go through the table and the guidelines before you make a purchase, so you can know what is best for your needs.
